

Coastal Cattle & Cartwright Family Farms

2023 Field Trip SOLs

Our field trips directly reinforce numerous Virginia Foundation Blocks for Pre-Schoolers as well as SOL's for Kindergarteners. Several other educational concepts are addressed indirectly.

Pre-K4 Foundation Blocks

Math

- #3 Measurement
- #5 Data Collection & Statistics
- #6 Patterns & Relationships

Science

- #1 Scientific Investigation, Reasoning & Logic
- #5 Life Processes
- #7 Earth Pattern
- #8 Recycling, Reusing & Conserving

History & Social Sciences

- #2 History/Change Over Time
- #3 Geography/Location
- #4 Geography/Descriptive Words
- #5 Economics/Work & Choices
- #7 Civics/Citizenships

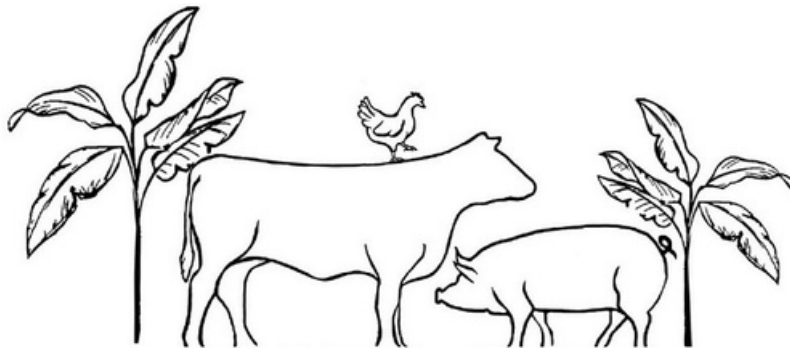

Kindergarten

Science

- K.1 Scientific Investigation
- K.2 Senses
- K.4 Physical Properties of Objects
- K.6 Living Organisms
- K.7 Plants & Animals
- K.9 Simple Patterns In Everyday Life
- K.10 Change Over Time
- K.11 Recycling, Reusing & Conserving

History & Social Sciences

- K.2 Everyday Life of the Past and Present
- K.6 Economics: Jobs
- K.7 Economics/Making Choices

Coastal Cattle & Cartwright Family Farms

2023 Field Trip SOLs

Our field trips directly reinforce concepts taught in the following first, second & third grade SOL's. Several other educational concepts are addressed indirectly.

First Grade

Science

- 1.1 Scientific Investigation, Reasoning & Logic
- 1.4 Life Processes, Plants
- 1.5 Life Processes, Animals
- 1.7 Earth Patterns, Cycles, & Change
- 1.8 Natural Resources

History & Social Sciences

- 1.7 Producers & Consumers

Second Grade

Science

- 2.1 Scientific Investigation, Reasoning & Logic
- 2.4 Life Processes, Plants and Animals
- 2.5 Living Systems, Plants and Animals
- 2.7 Weather and Seasonal Changes
- 2.8 Plants

History & Social Sciences

- 2.2 American Indians - First Farmers
- 2.7 Resources, Natural, Human, Capital
- 2.9 People as Producers & Consumers

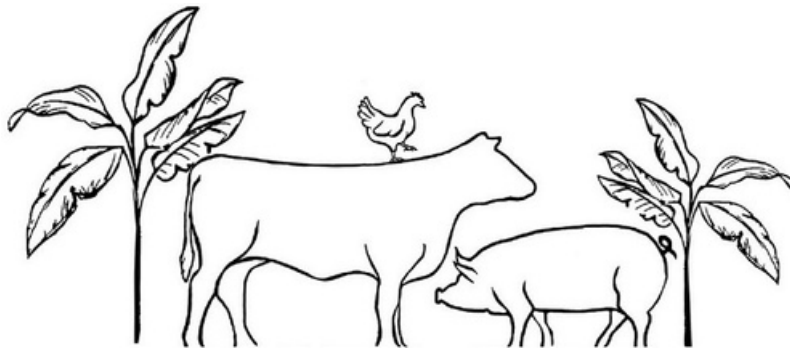

Third Grade

Science

- 3.1 Scientific Investigation, Reasoning & Logic
- 3.4 Life Processes, Animals
- 3.5 Living Systems, Food Chains
- 3.7 Interrelationships in earth systems, Soil
- 3.8 Earth Patterns, Cycles and Change, Seasons
- 3.9 Interrelationships in earth systems, Water
- 3.11 Resources, Sun, Renewable, Nonrenewable

History & Social Sciences

- 3.7 Resources, Natural Human Capital; Producers, Consumers; Goods, Services
- 3.8 Economic Specialization, Economic Interdependence
